Here is a script you may read from if you receive any breaking news during the simulation.

Anchor 1: Hello and welcome to ABC 15 news. I'm [insert name here], alongside my co-anchor [insert name here] We have breaking news tonight out of Washington, D.C. The Associate Press is reporting that the president's Supreme Court nominee, Judge King is under FBI investigation for potential financial-related dealings.

Anchor 2: That's right. A bombshell press release from the Associated Press just handed to us a few moments ago reveals an ongoing investigation into Judge King. The investigation is being led by the Securities and Exchange Commission in conjunction with the FBI. While the specific nature of this investigation has not been made clear, we will remain on top of this story and bring you the latest right here at ABC 15. Now back to your regular programming.
